IAM RoadSmart Autumn Forums are here again!

We are pleased to announce that the Autumn Forums are back this year – with a small change to previous Forums, following your feedback, we are delighted to be inviting Chief Observers to join their Group Chair at the events.

Following the successful delivery of eight Autumn Forums in 2023, head office staff and our team of Area Service Delivery Managers (ASDMs) will be visiting locations across the four nations from September to October, with one digital Forum being delivered in November.

These sessions are a great opportunity for you to meet with members of staff and Trustees, hear updates on IAM RoadSmart initiatives and share your Group news with us and your peers.

Dates of the Autumn Forums 2024 are:

Area	Venue	Date
1 South West and 4 West Central and South Wales	BAWA, Bristol	Saturday, 19th October
2 South East	Federation House, Leatherhead	Saturday, 12th October
